

PETROLEUM UPSTREAM REGULATORY AUTHORITY

Vacancy Announcement

POSITION: DIRECTOR GENERAL

Petroleum Upstream Regulatory Authority (PURA) was established under the Act of Parliament number 21 of 2015 to regulate and monitor the petroleum upstream sub sector for the Mainland Tanzania. PURA's mandates include monitoring, regulation, management of the petroleum resources and provision of advisory services to the Government on upstream petroleum affairs. The mandate is underpinned in policy and legal instruments including: the National Energy Policy, 2015; the Petroleum Act, 2015; the Oil and Gas Revenue Management Act, 2015 and the Tanzania Extractive Industries (Transparency and Accountability) Act, 2015. The Chairman of the Board of Directors of PURA invites qualified Tanzanians to apply for this position.

Reporting and Responsibilities

The Director General of PURA will report to the Board of Directors of PURA and will be responsible for the following:

- i. Initiating and implementing policies and programs of PURA and reports to the Board;
- ii. Ensuring that the agreed objectives, targets and service standards of PURA and the Board of Directors of PURA are met;
- iii. Managing the properties and employees of PURA;
- iv. Developing and overseeing operational plans to guide PURA in the performance of its functions;
- v. Co-operating with lead agencies and organizations in matters relating to petroleum upstream and other related matters;
- vi. Developing an economic, efficient and cost effective internal management structure;
- vii. Providing advice as required on matters falling within PURA's mandates and responsibilities;
- viii. Performing functions assigned by the Board; and
- ix. Performing any other functions deemed necessary for implementation of the provision of the Petroleum Act, 2015

Minimum Qualifications:

The ideal candidate for this position should have the following qualifications and experience:

- i. Holder of Master's Degree in Petroleum Geosciences, Petroleum Engineering, Petroleum Management, Petroleum Law or Petroleum Economics, Taxation and Finance from a recognized Institution.
- ii. Not less than 10 years' work experience in related fields, of which five (5) years should be in a managerial level.
- iii. Experience in Oil and Gas industry will be an added advantage.

Office Tenure:

The Director General shall hold office for a period of five years and may be eligible for re-appointment for one more term.

Salary Scale: Shall be paid in accordance with PURA Salary Structure
